

The United States Official 1889 Investigation of Baking Powders.

Made under authority of Congress by the Chemical Division of the Department of Agriculture, Washington, D. C., and recently completed.

Shows the Royal Baking Powder to be a cream of tartar baking powder of the highest quality, superior to all others in strength, leavening power, and general usefulness.

The Royal Baking Powder is thus distinguished by the highest expert official authority the leading Baking Powder of the world.
